

Parents and friends of Jonathan Elementary 1st and 2nd grade students...

You are invited to our

Music Class Informance

Rather than *perform* for you, we would like to *inform* you of the musical skills and concepts we have learned this year in music class. Please join us for this short program during your child's regular music class time (see schedule below.) The informance will take place in the music room on the lower level of Jonathan Elementary. Please be sure to stop in the office to sign in and get a visitor's badge. We hope to see you there!
